ANTI NARCOTICS FORCE (ANF)

Anti Narcotics Force (ANF) is a premier federal law enforcement agency under Ministry of Narcotics Control, Government of Pakistan. The agency is tasked with combating illicit narcotics smuggling and its use under the provisions of Control of Narcotics Substance (CNS) Act 1997 and Anti Narcotics Force Act 1997. As per Anti Narcotics Policy 2019, ANF is responsible for Drug Supply Reduction, Drug Demand Reduction and International Cooperation.

BRIEF HISTORY

Pakistan Narcotics Board (PNB) was set up in 1957, in the Revenue Division in order to fulfil Pakistan's obligations under the International Opium Convention of 1925. Pakistan Narcotics Board (PNB) comprised representatives from the Provincial Governments and some Federal Ministries/Divisions. Pakistan ratified the Single Convention on Narcotics Drugs, 1961 on 15th August, 1965.

Pakistan Narcotics Control Board (PNCB) was established in 1973 with five Regional Directorates, in response to UN Convention on Narcotics Control, with the mandate to combat narcotics in the Country. The Board functioned as an attached department of Ministry of Interior. In 1989, Narcotics Control Division (NCD) was established and PNCB became its attached department.

Anti Narcotics Task Force (ANTF) was established in December 1991 as an attached department of NCD.

Anti Narcotics Force (ANF) was raised on 21 February 1995 by merging Anti Narcotics Task Force (ANTF) and Pakistan Narcotics Control Board (PNCB). ANF is working under Ministry of Narcotics Control (MNC).
